Together Constantly in Prayer:

Please take a moment each morning to join us in prayer.

1. Praise our Father that because of his love for us he chooses to call us and make us his children.
2. Pray for your neighbours especially any you know who are sick or have other needs.

Country for prayer: Oman

Population 2.9 million with 100 000 from a Christian heritage.

Oman has an oil based economy and is ruled by a monarchy. It has some personal freedom although the media experience censorship and social media is monitored. It is politically stable with oil wealth distributed wisely among the population. Give thanks that people are free to be Christians and pray for the churches that they might have a good witness there.
